

UUD Newsletter

This newsletter is issued every six months under the Erasmus+ Strategic partnership project USEFUL, USABILITY, DISPOSABILITY (UUD). It is published on the project website www.plasticsfree.eu and specifically emailed to a number of organizations and institutions recommended by the partners from the European region where they are located. The newsletter illustrates the project steps in the monitoring plan agreed by the partners

October 2016

Number 2

In this Issue:

- Regional Conferences in 2017
- Mid-term Project Report
- Tutorials
- Trainings
- Local events
- Related Conferences in 2017

So far so good! Mr. Organicy is inviting you to:

UUD Regional Conferences in 2017

Goal: to create a contact environment for new strategic partnership Erasmus+ projects building on the UUD outcomes

The Agenda of all conferences will include: demos with the e-learning platform, a civic event by local platform users, a contact workshop for Strategic Partnerships applications in 2018.

Dates and venues :

23-24 March 2017 - Why Mr Organicy's e-learning platform – Sofia, Bulgaria - for Balkan Countries

6-7 April 2017 - Plastic Food - a land art installation on the UUD e-learning platform Gubbio, Italy - For Mediterranean and West European countries

19-20 May 2017 - Community groups and good practice with the e-learning platform - Braila, Romania - for Central and East European Countries

24-26 February 2017 2017 - Civic event design and management - Good Practice with the UUD e-learning Platform -, Vilnius, Lithuania - for Norse and Baltic Countries

Travel, accomodation and meals will be supported by the project.

The registration process includes:

- stage 1 by the end of December 2016 - preliminary selection of participants based on letters of interest, organization description, project ideas;
- stage 2 by the end of February 2017 - selected organizations will fill in Project Partner sheets, Project description template (needs, goals, target groups, activities, results).

Priority will be given to project ideas building on the present project, targetting youth and at least one competence from the EU competence framework.

For more information please go to www.plasticsfree.eu

For registration please get in touch with: Mrs. Viorica Alexandru - UUD Project coordinator: valex2do@yahoo.com or BASD, Dissemination coordinator – alalkovska@balkanagency.org
